

Jan NDFD supp. locations and fraction of climatology with nonzero precipitation

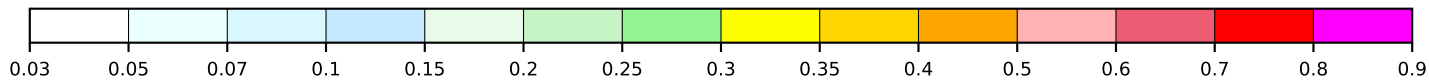

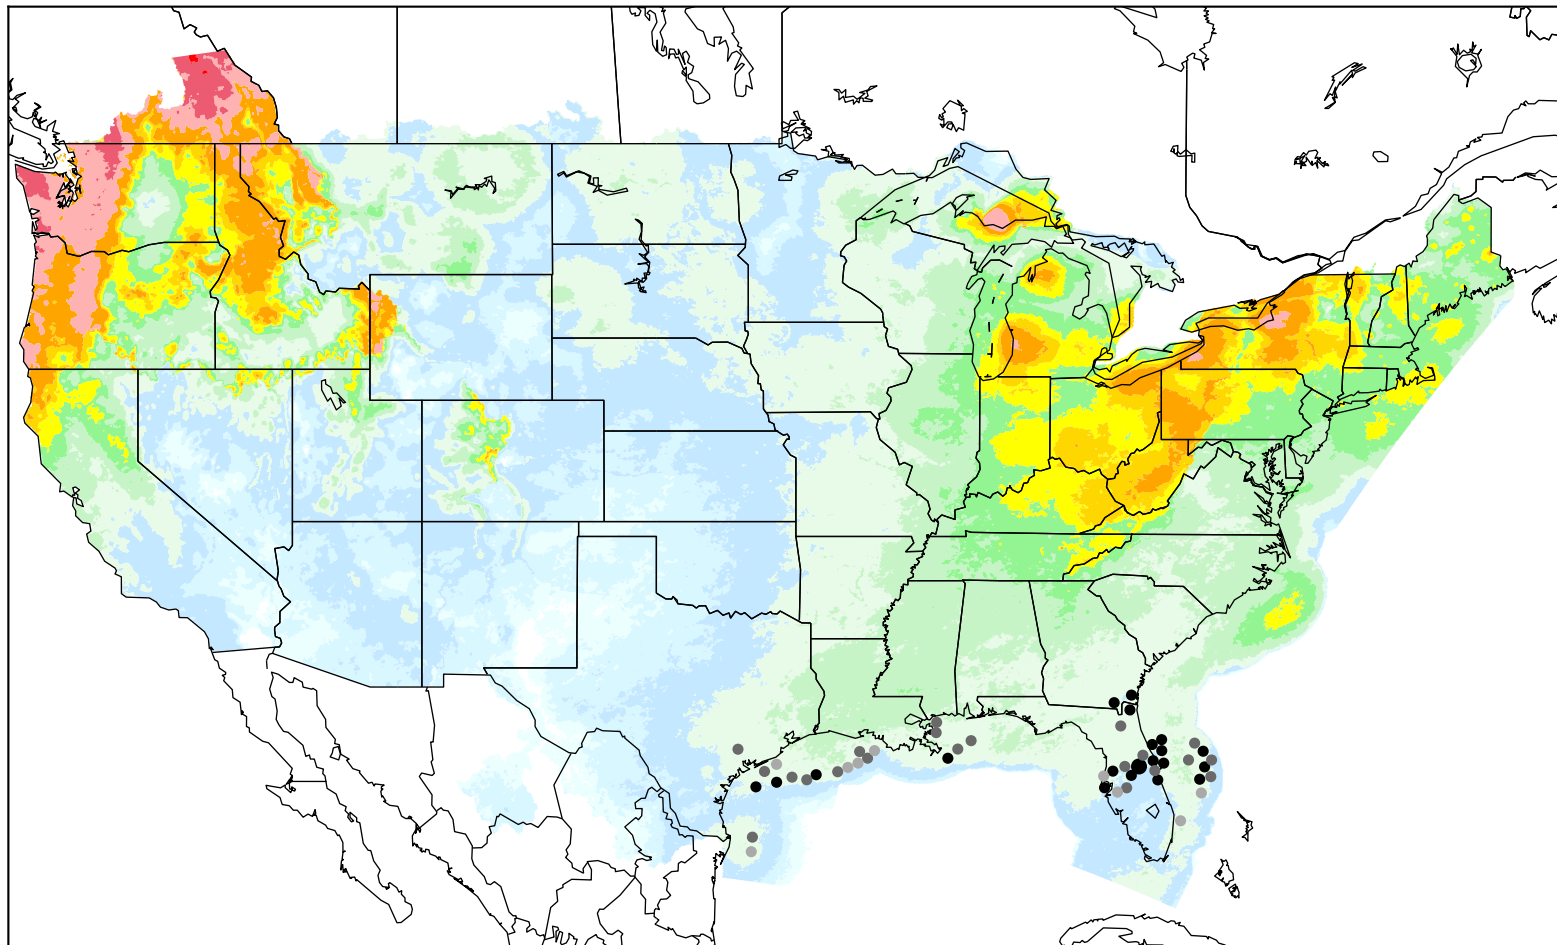

Fraction of climatological samples with nonzero 12-h accumulated precipitation

Jan NDFD supp. locations and fraction of climatology with nonzero precipitation

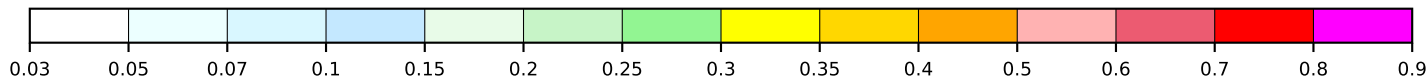

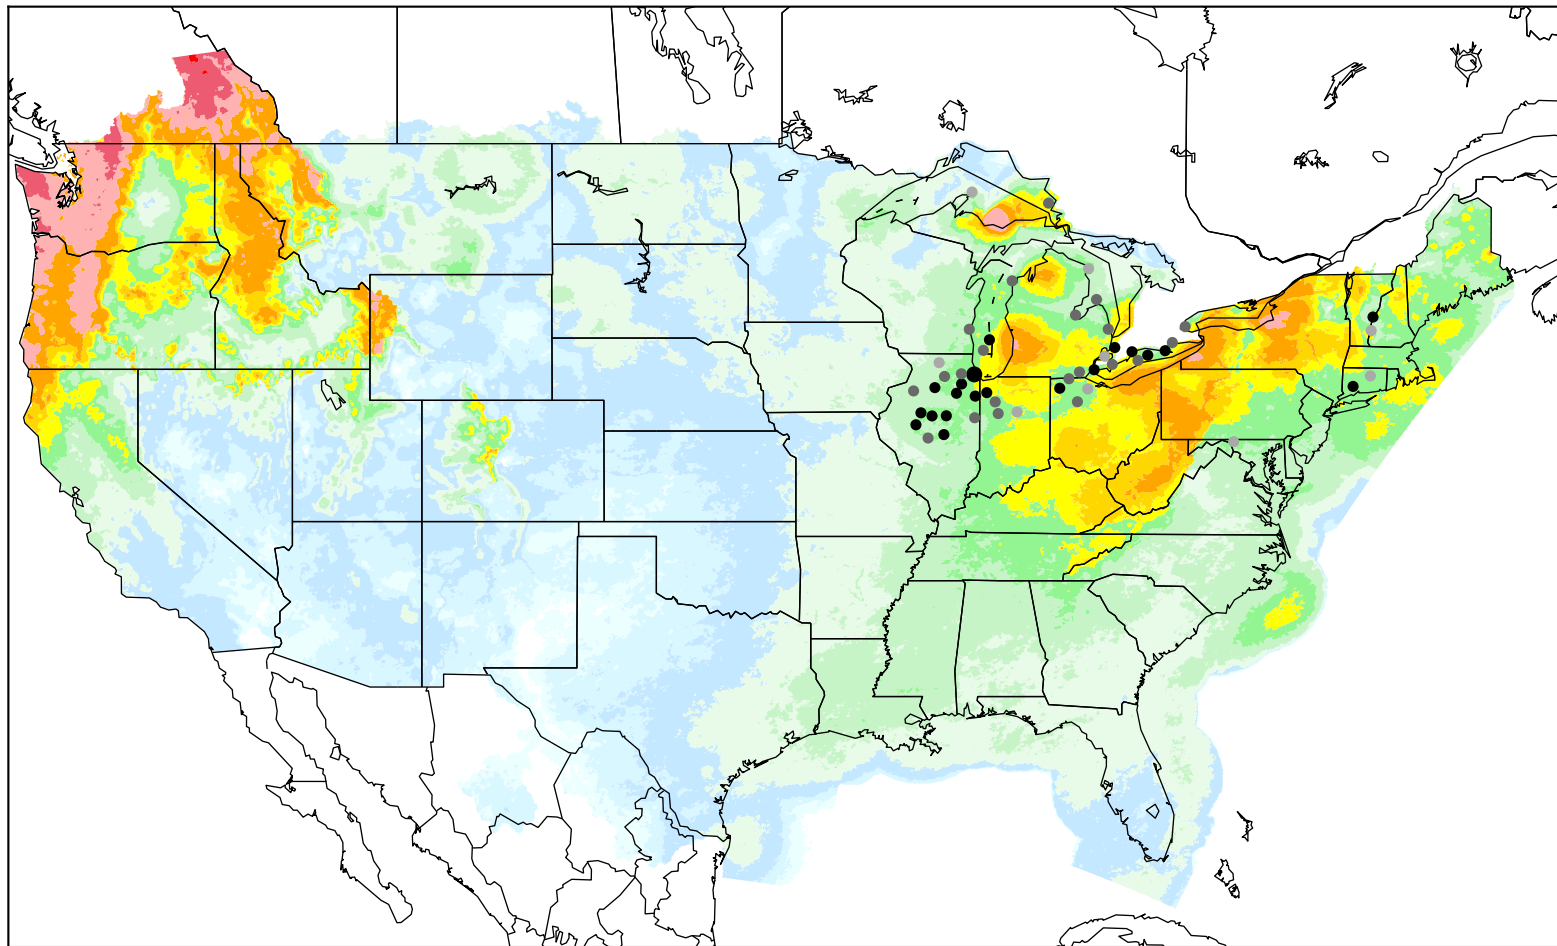

Fraction of climatological samples with nonzero 12-h accumulated precipitation

Jan NDFD supp. locations and fraction of climatology with nonzero precipitation

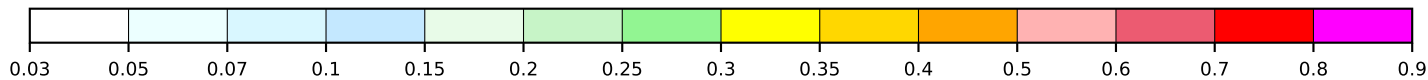

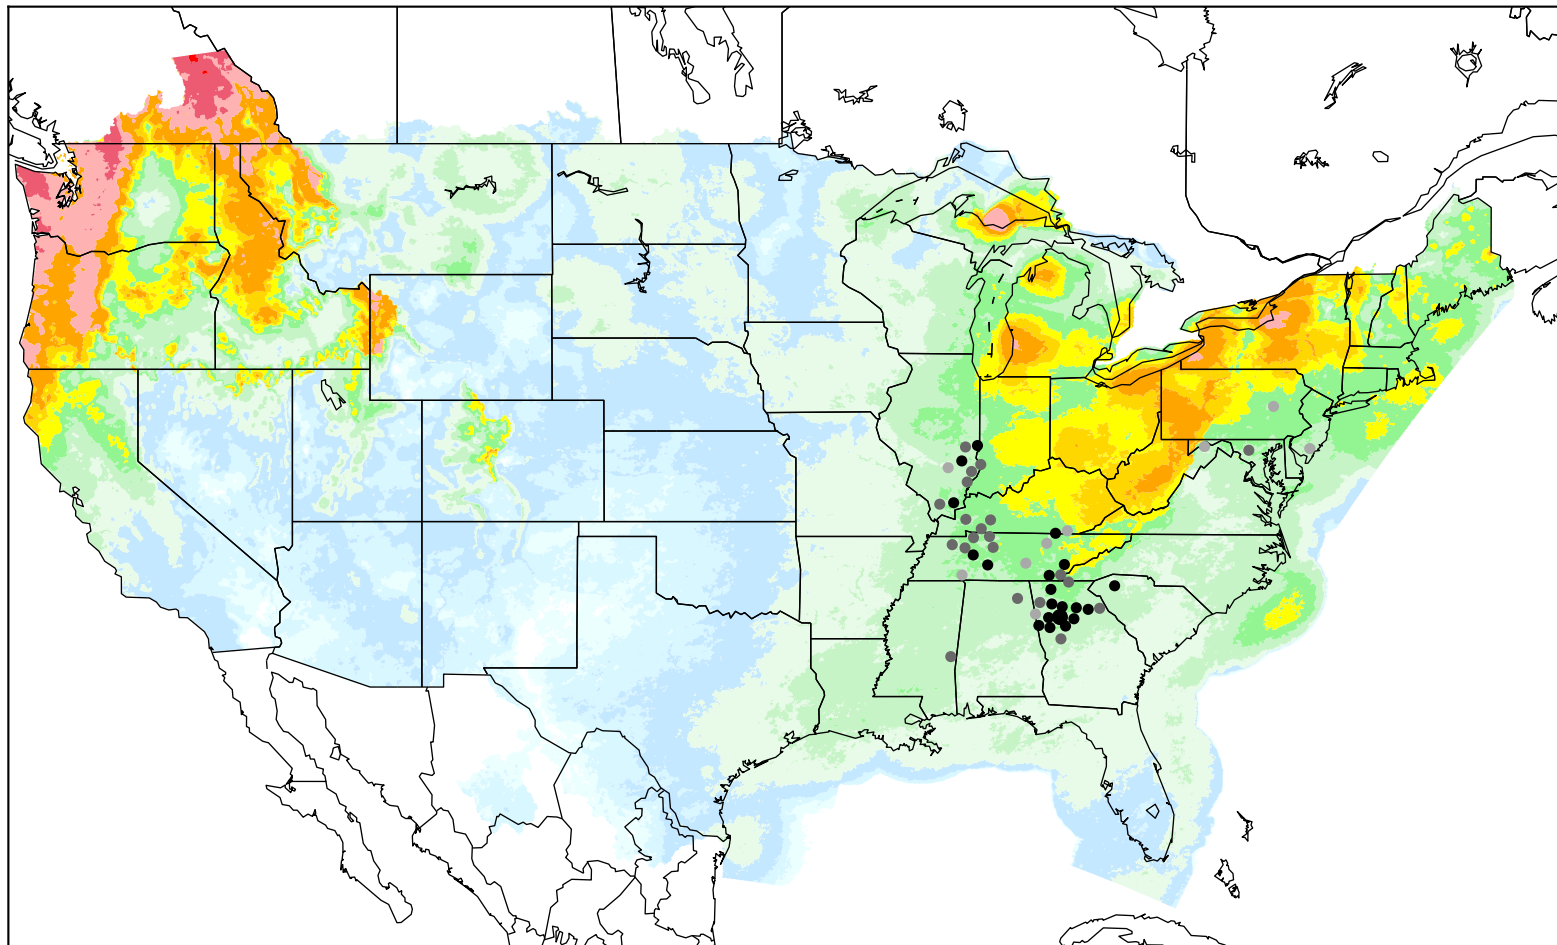

Fraction of climatological samples with nonzero 12-h accumulated precipitation

Jan NDFD supp. locations and fraction of climatology with nonzero precipitation

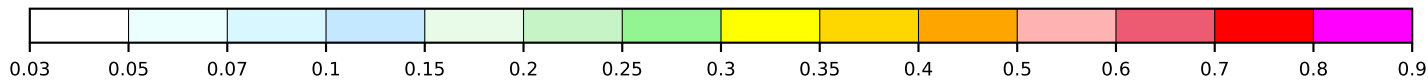

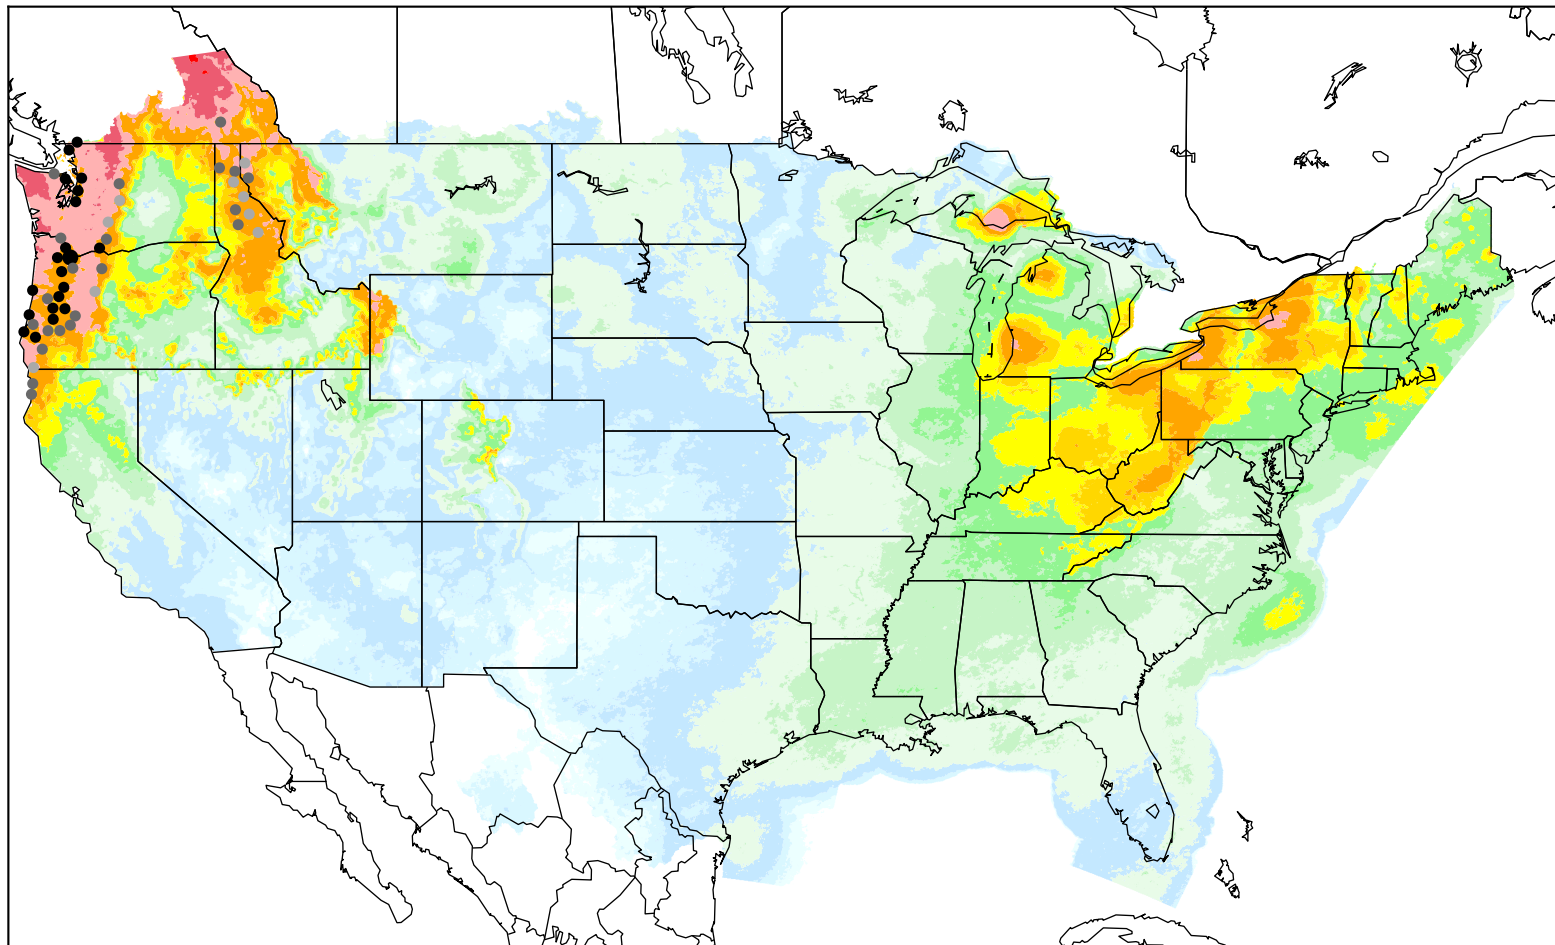

Fraction of climatological samples with nonzero 12-h accumulated precipitation

Jan NDFD supp. locations and fraction of climatology with nonzero precipitation

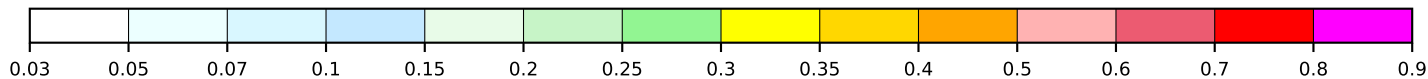

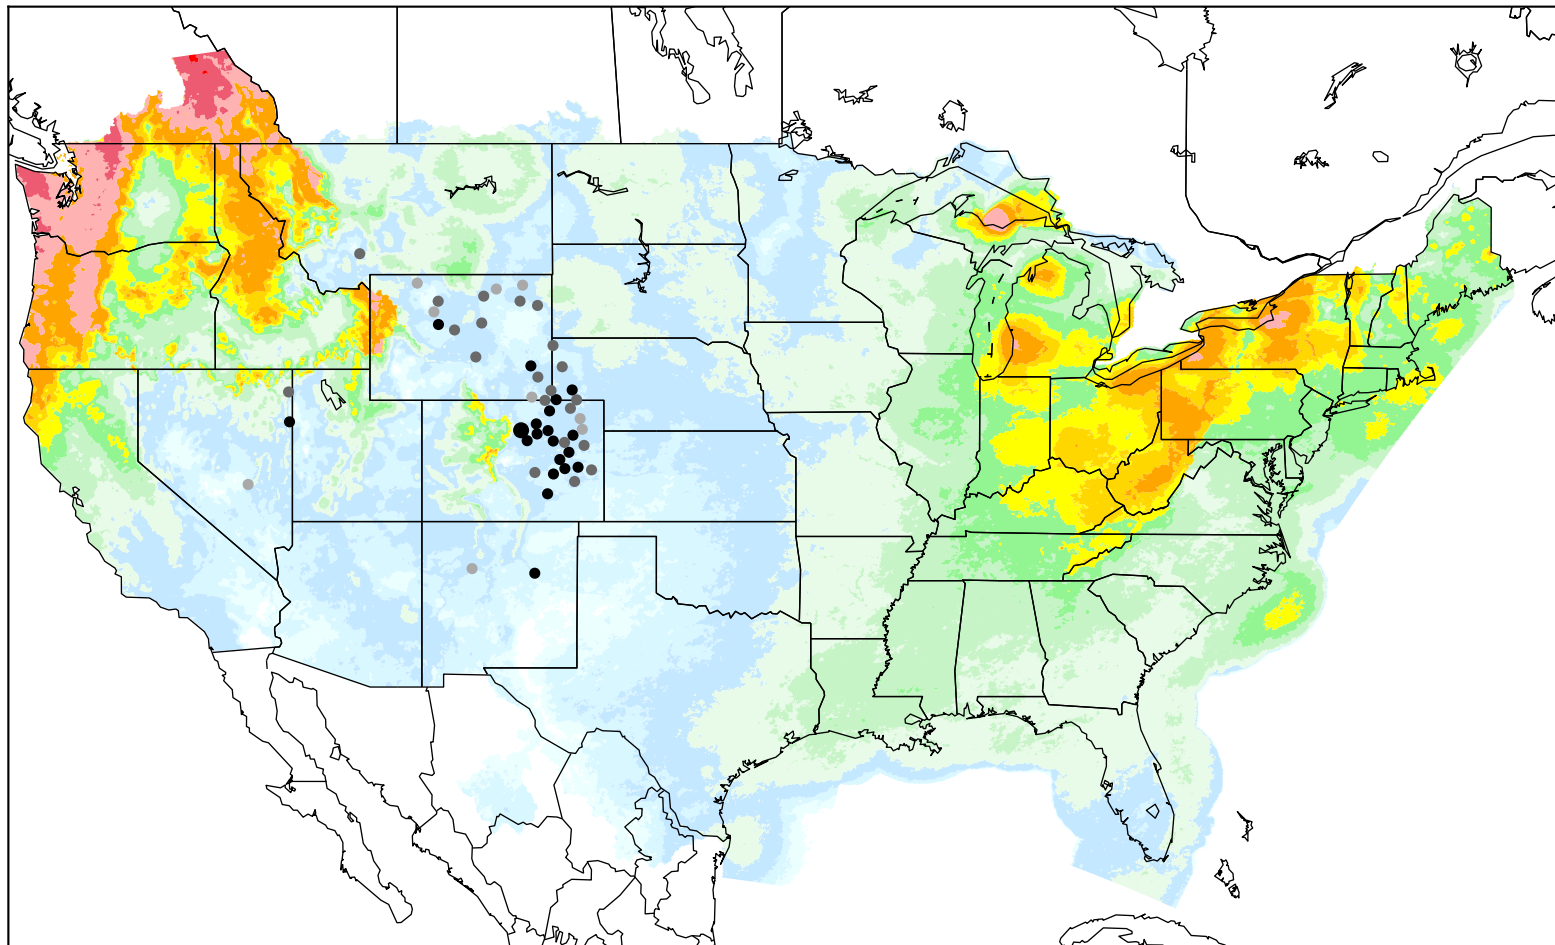

Fraction of climatological samples with nonzero 12-h accumulated precipitation

Jan NDFD supp. locations and fraction of climatology with nonzero precipitation

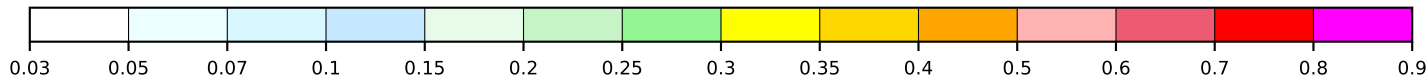

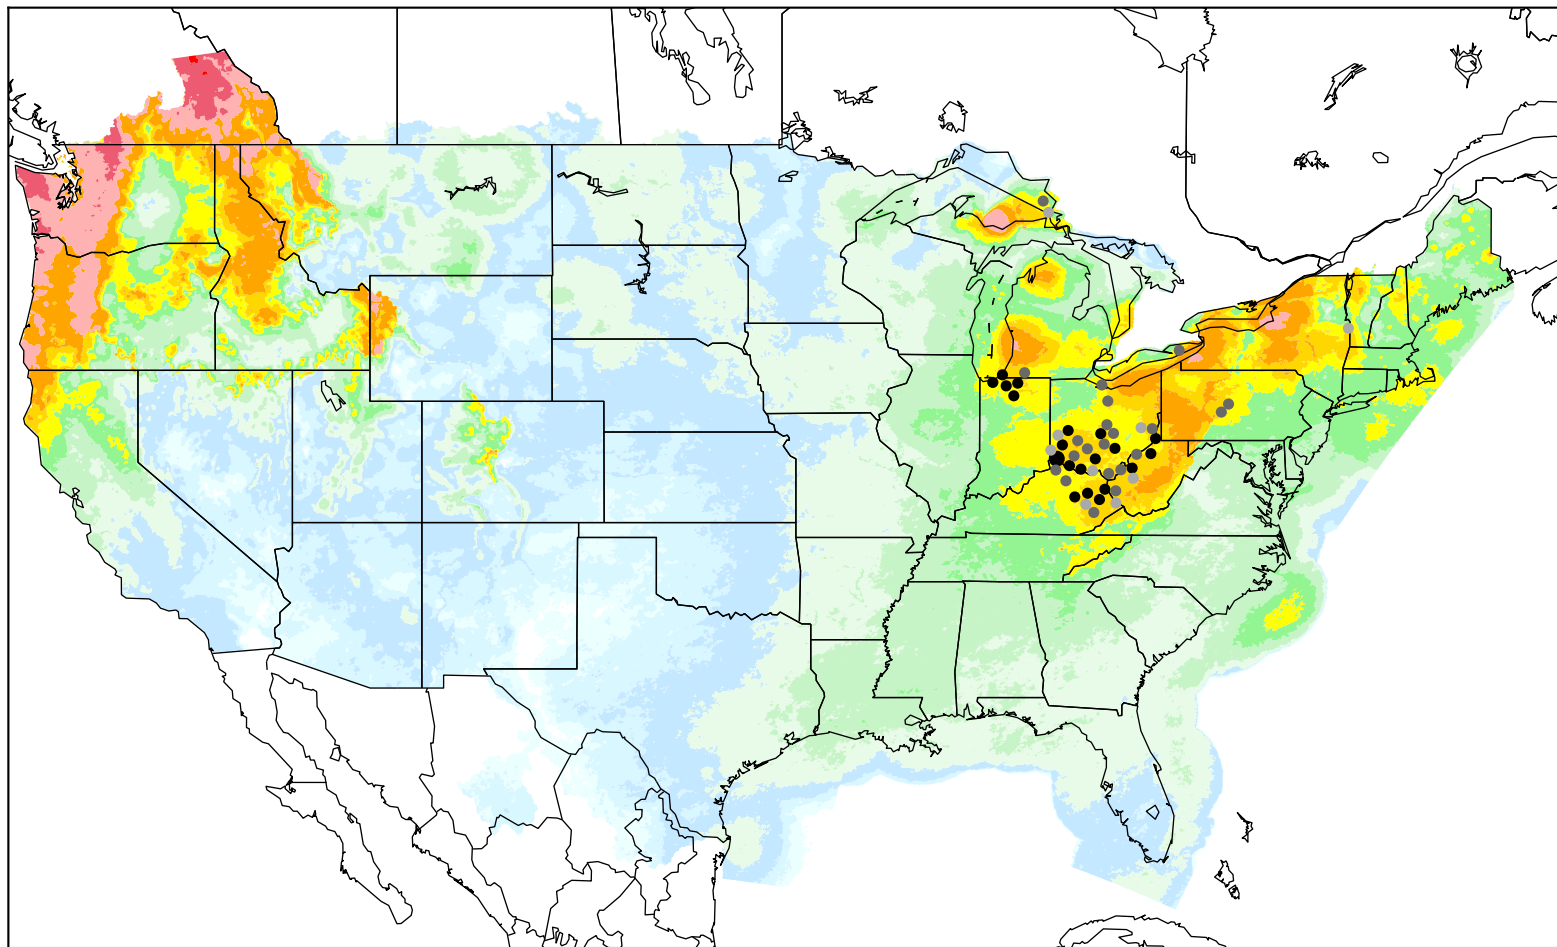

Fraction of climatological samples with nonzero 12-h accumulated precipitation

Jan NDFD supp. locations and fraction of climatology with nonzero precipitation

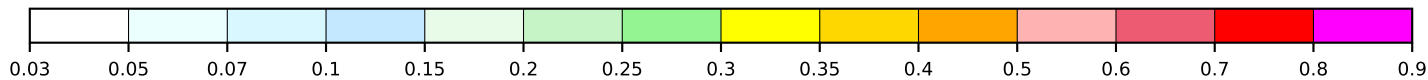

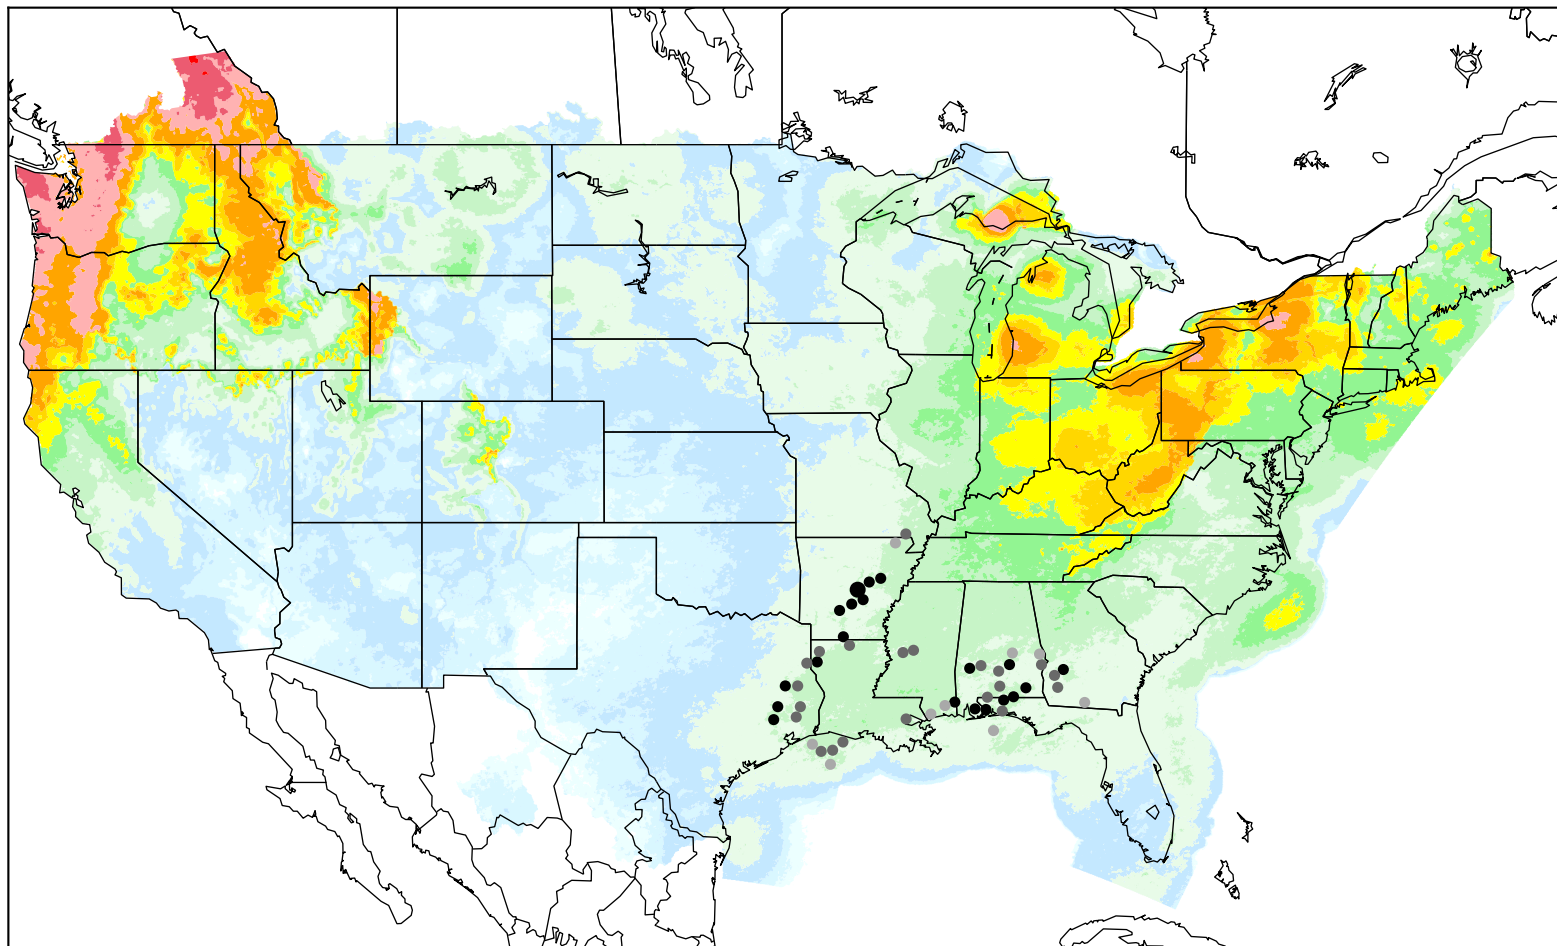

Fraction of climatological samples with nonzero 12-h accumulated precipitation

Jan NDFD supp. locations and fraction of climatology with nonzero precipitation

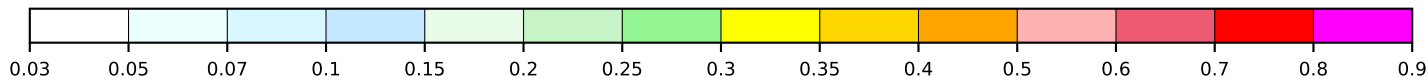

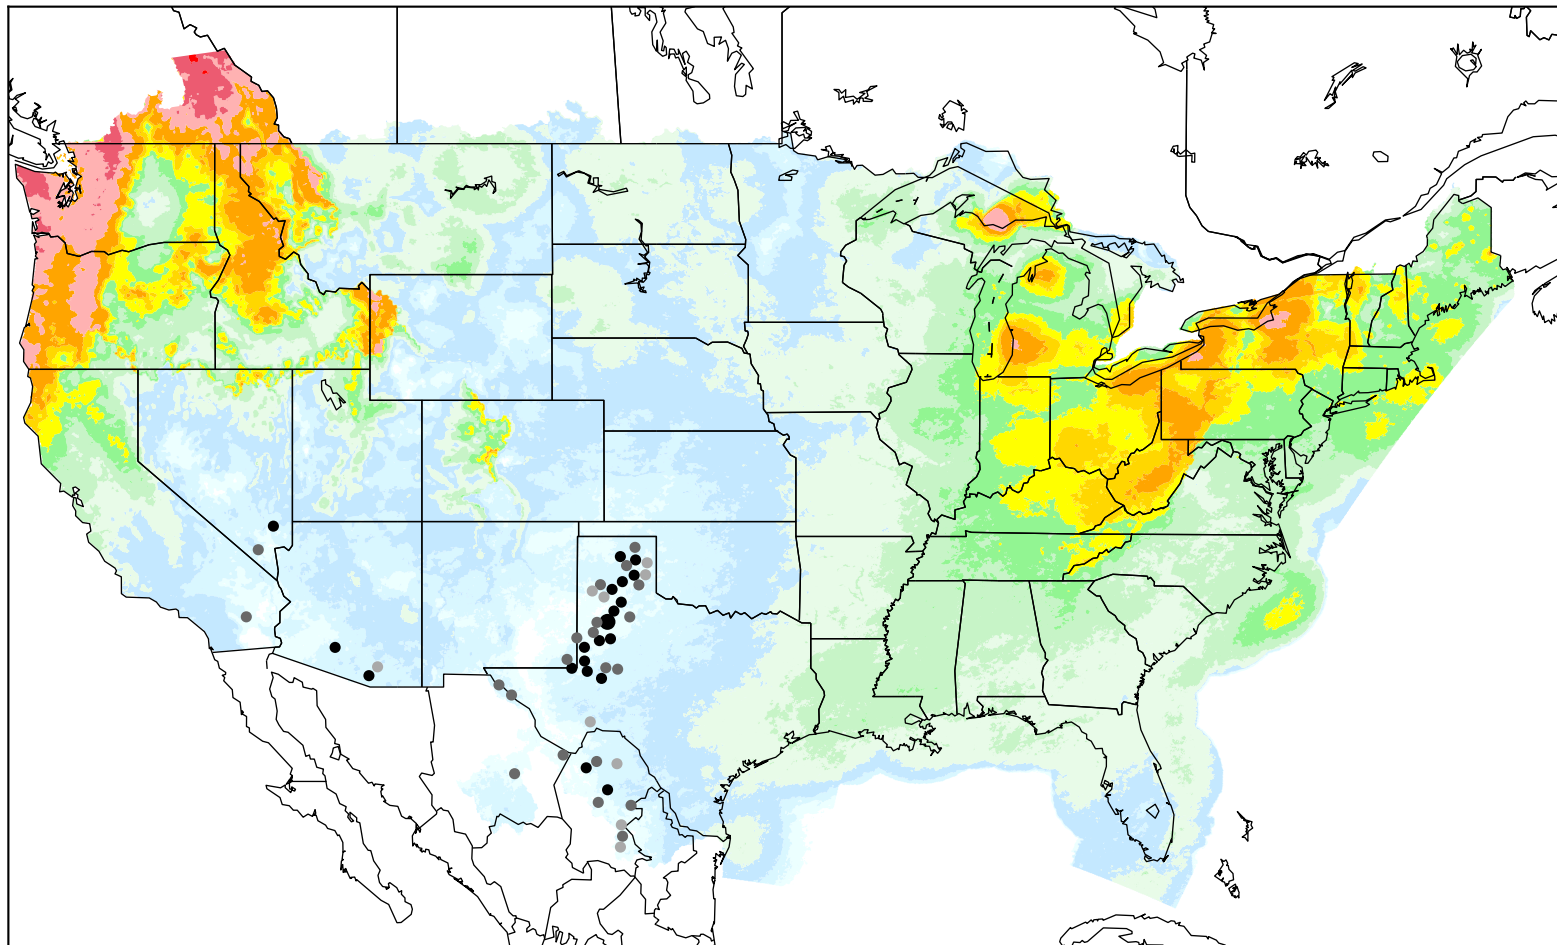

Fraction of climatological samples with nonzero 12-h accumulated precipitation

Jan NDFD supp. locations and fraction of climatology with nonzero precipitation

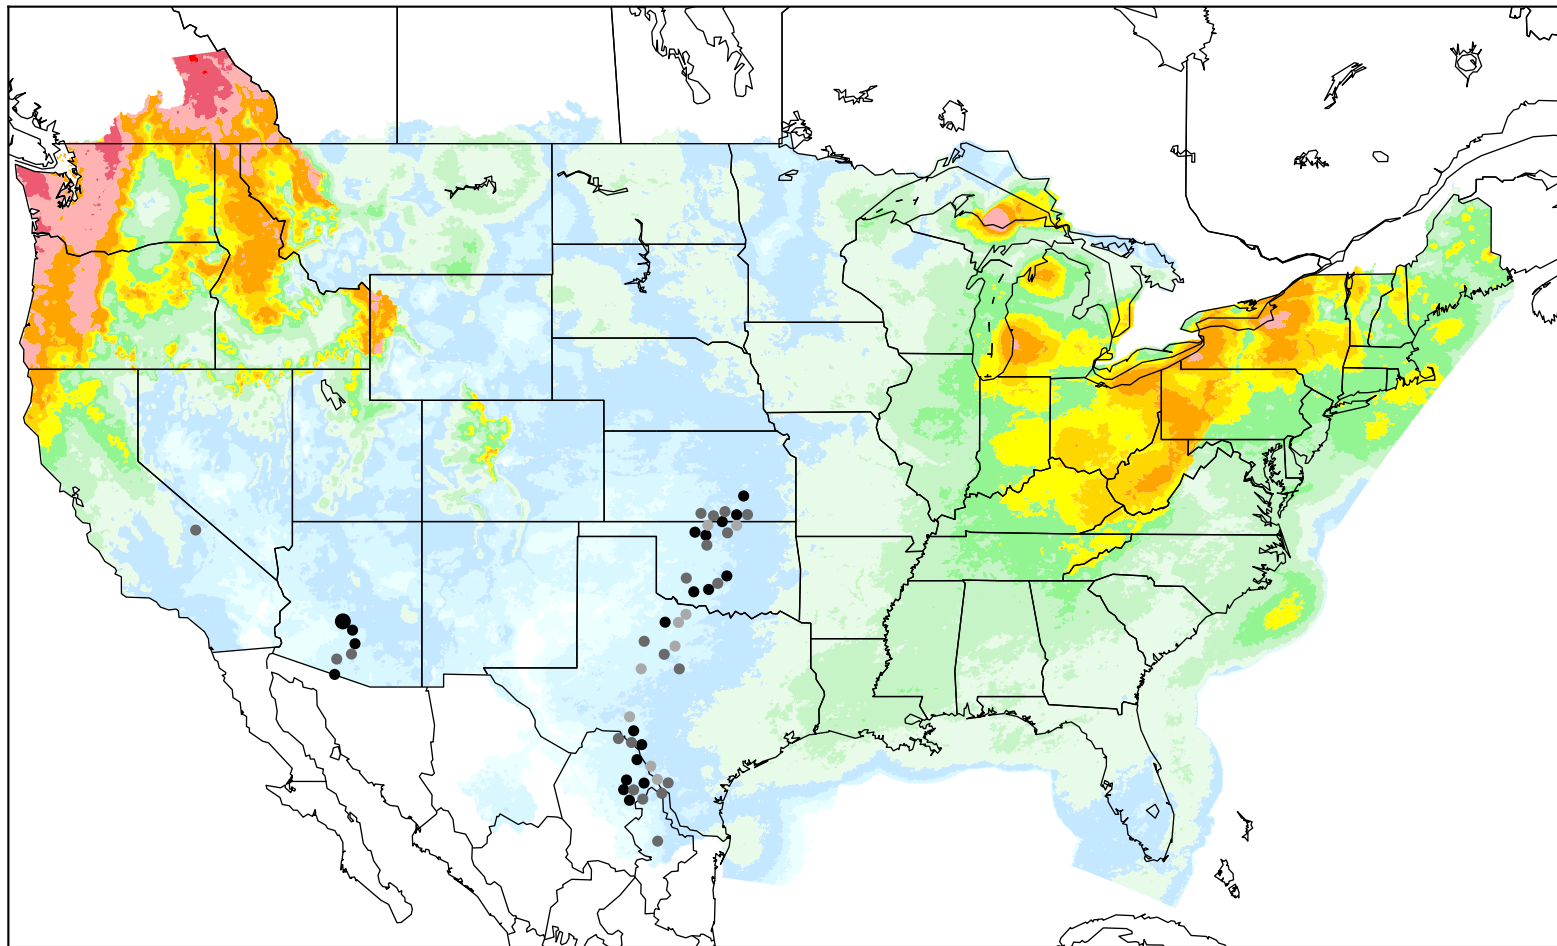

Fraction of climatological samples with nonzero 12-h accumulated precipitation

Jan NDFD supp. locations and fraction of climatology with nonzero precipitation

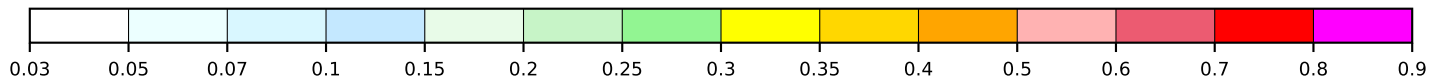

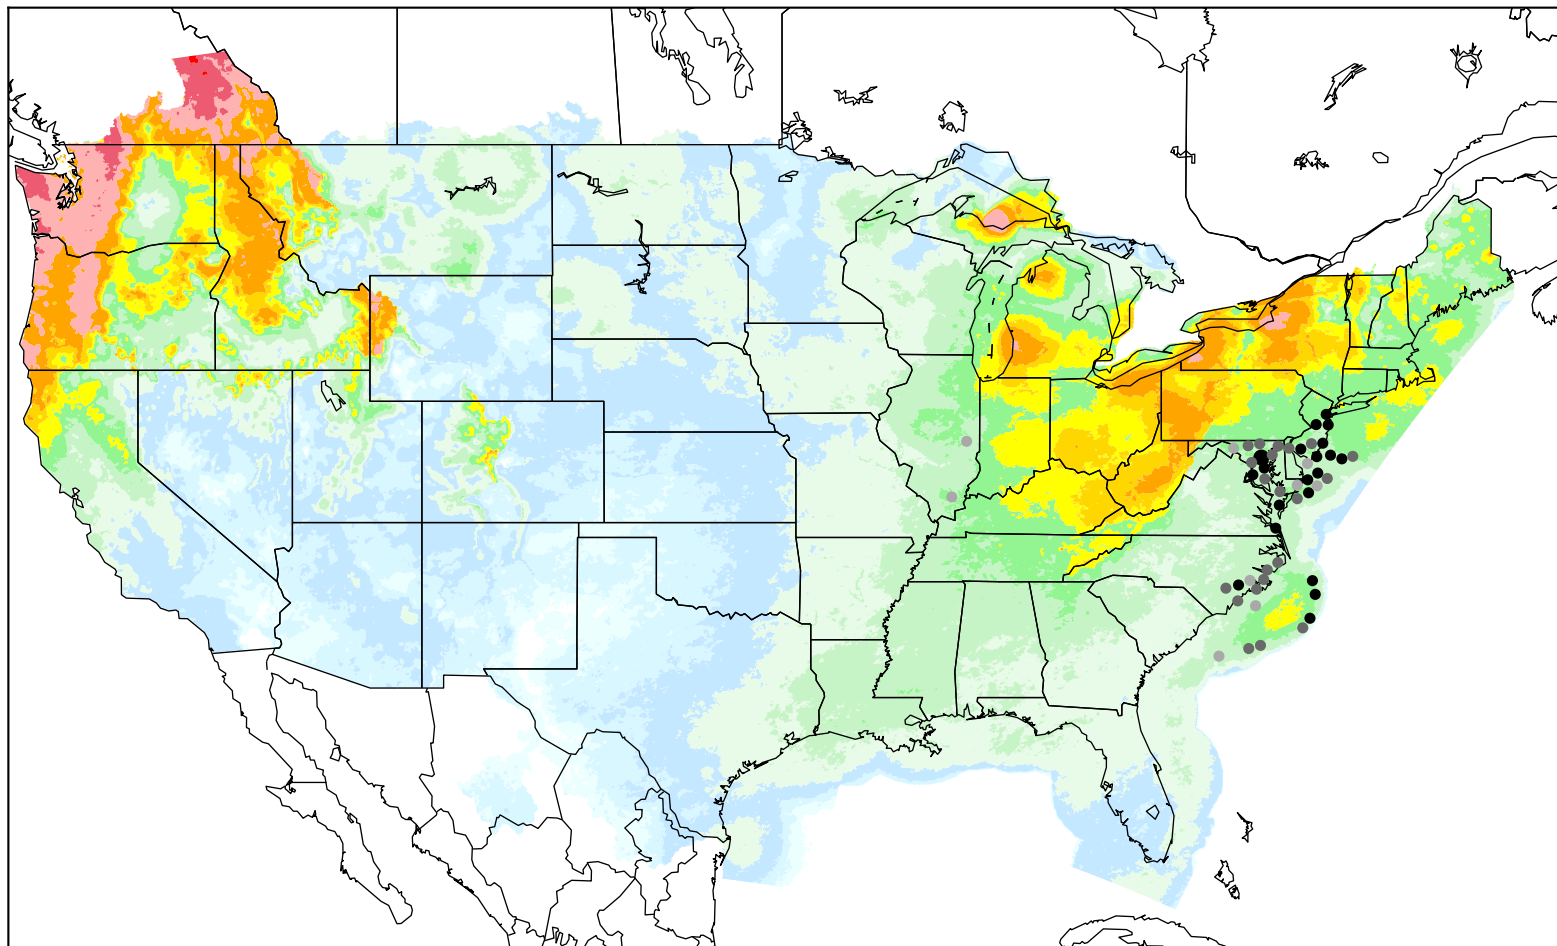

Fraction of climatological samples with nonzero 12-h accumulated precipitation

Jan NDFD supp. locations and fraction of climatology with nonzero precipitation

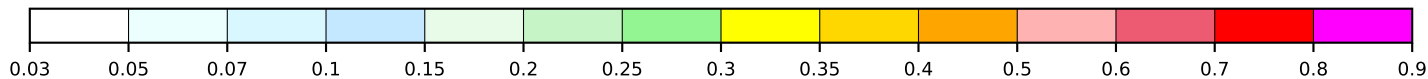

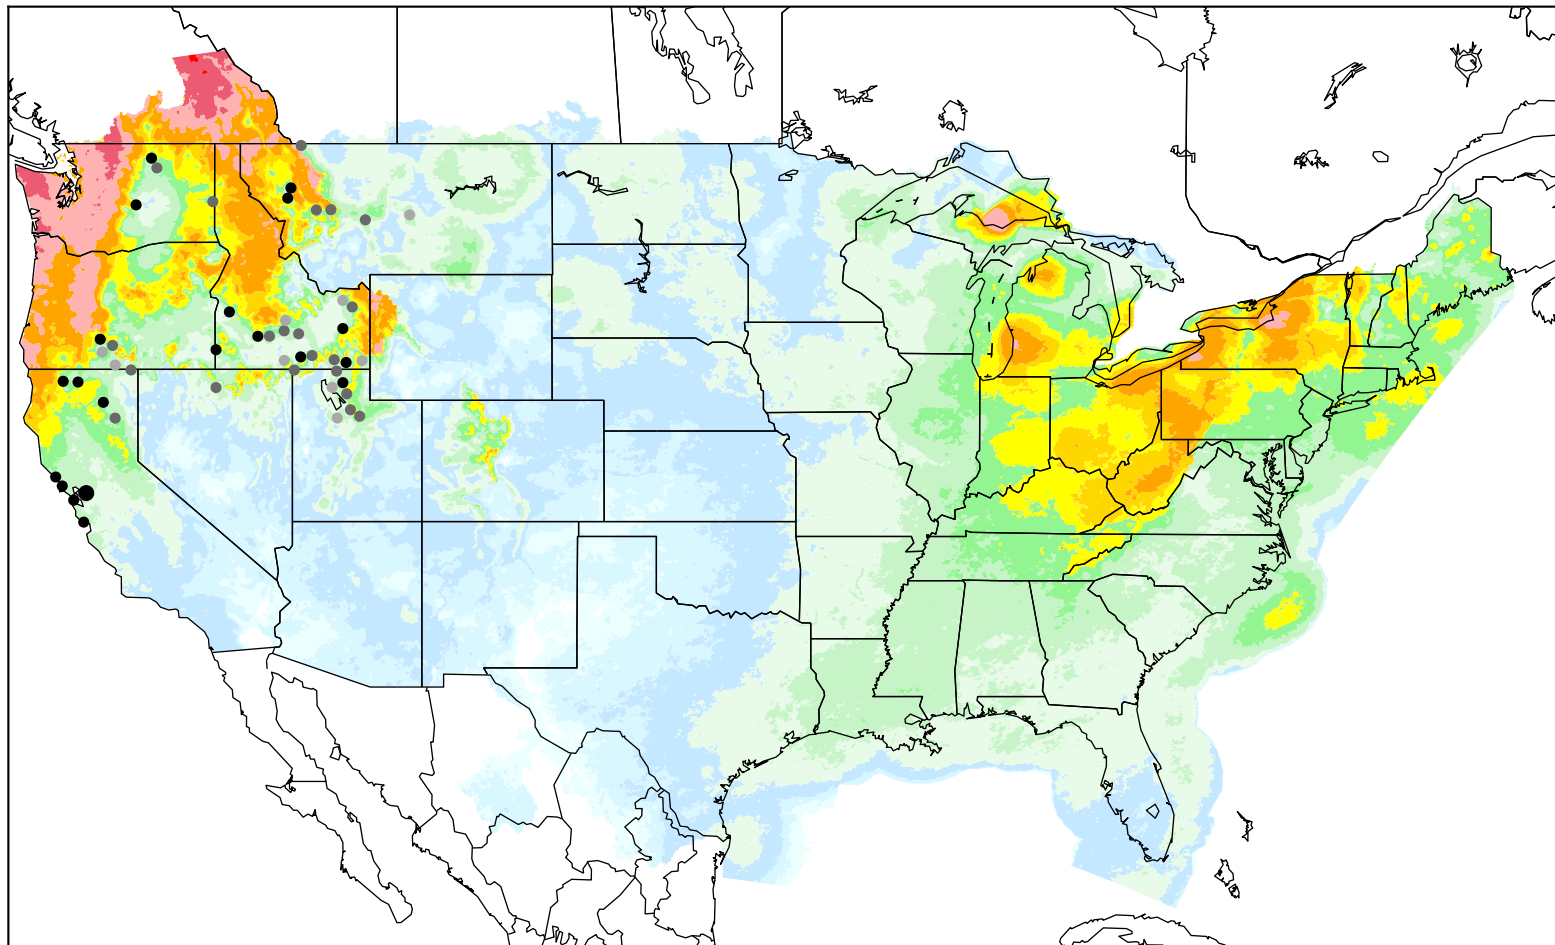

Fraction of climatological samples with nonzero 12-h accumulated precipitation

Jan NDFD supp. locations and fraction of climatology with nonzero precipitation

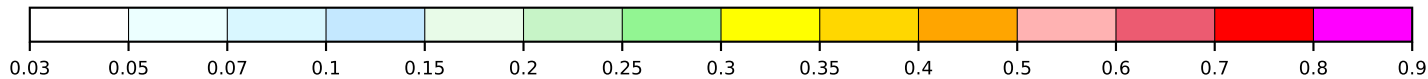

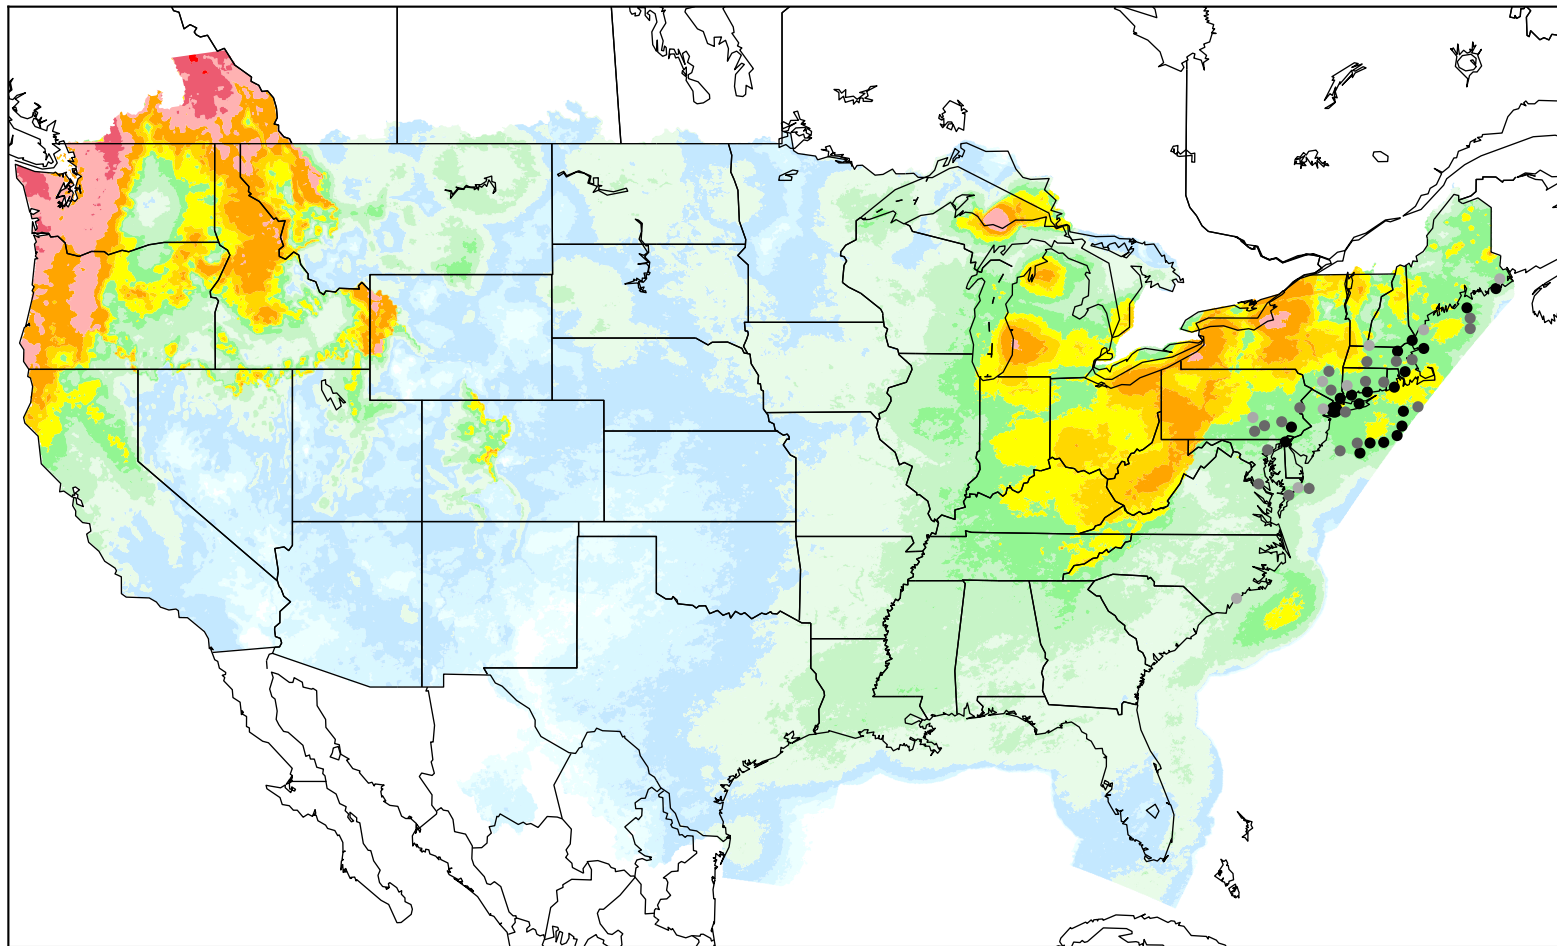

Fraction of climatological samples with nonzero 12-h accumulated precipitation

Jan NDFD supp. locations and fraction of climatology with nonzero precipitation

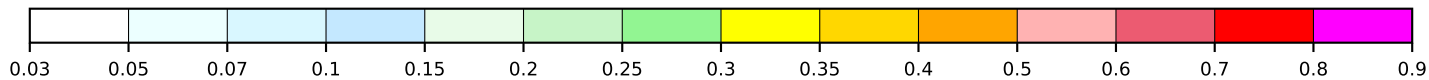

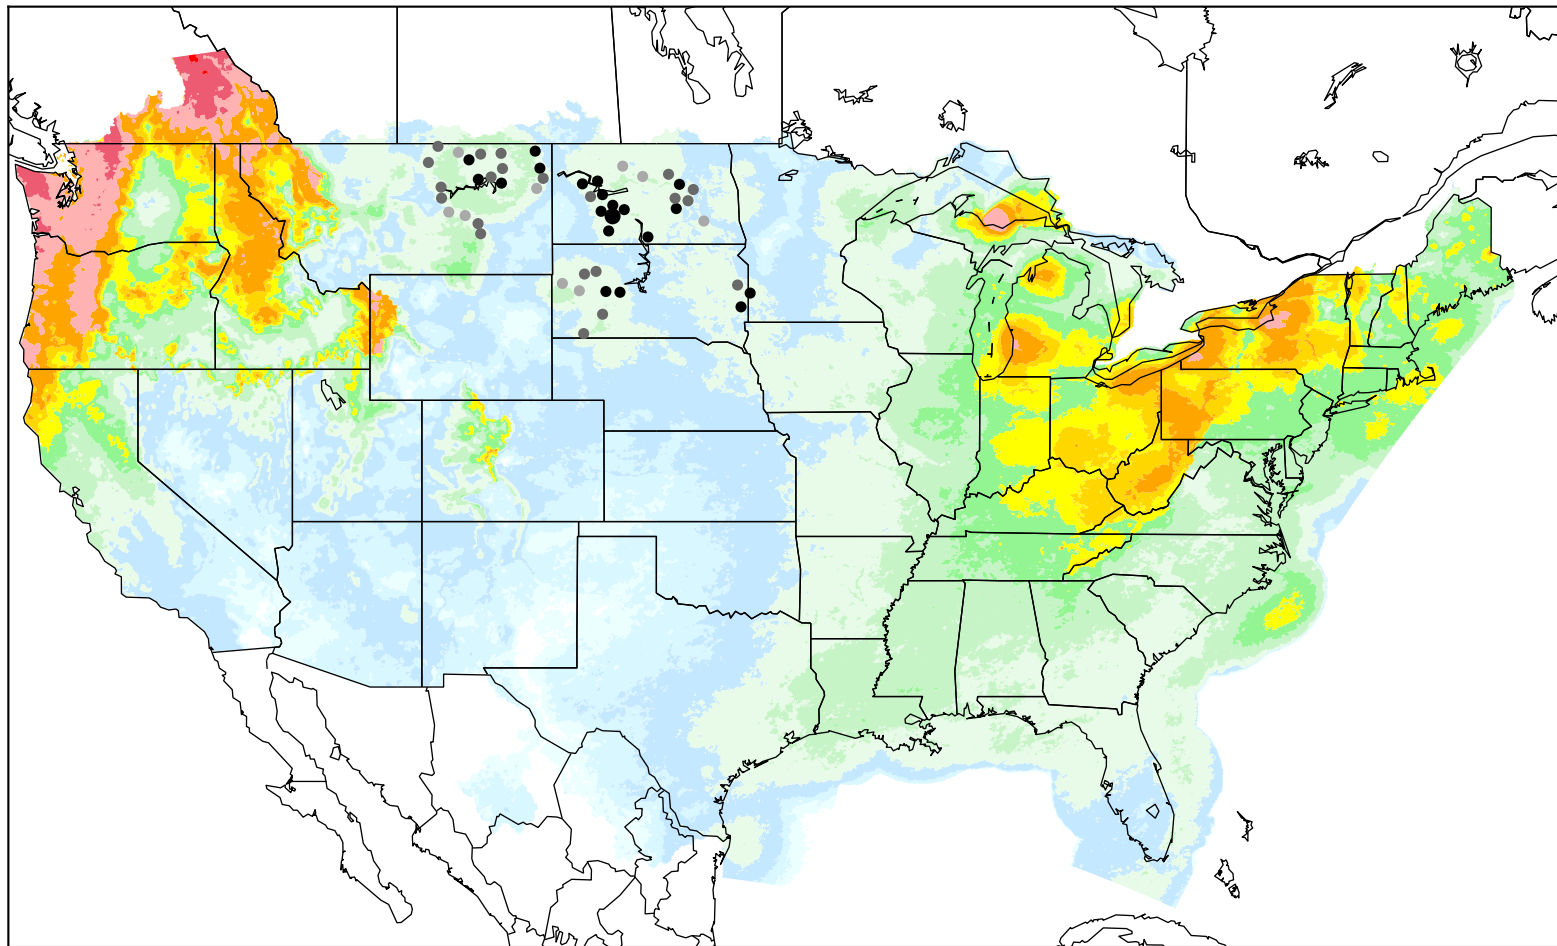

Fraction of climatological samples with nonzero 12-h accumulated precipitation

Jan NDFD supp. locations and fraction of climatology with nonzero precipitation

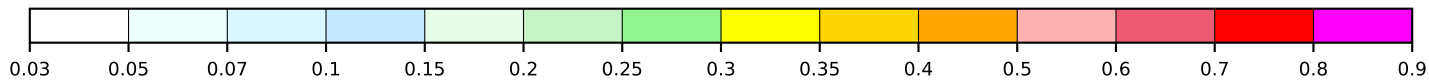

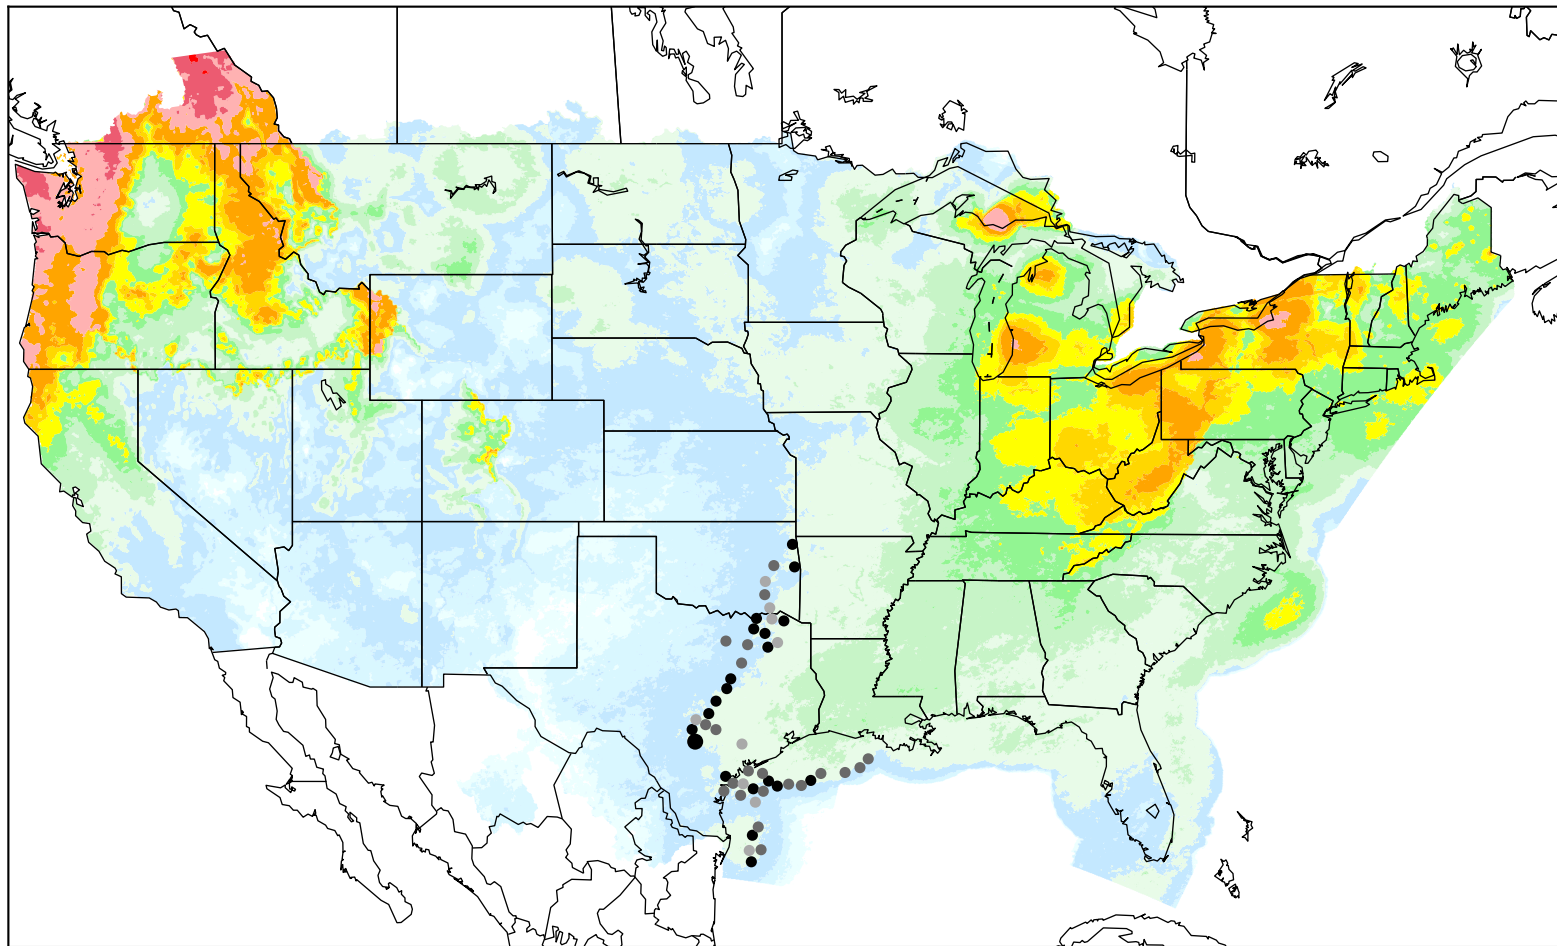

Fraction of climatological samples with nonzero 12-h accumulated precipitation

Jan NDFD supp. locations and fraction of climatology with nonzero precipitation

Fraction of climatological samples with nonzero 12-h accumulated precipitation
